

Empowering individuals, enabling families, fighting for inclusivity

We are recruiting Trustees to join our Board

Signal supports people who are Deaf or have hearing loss in the UK and internationally, in Sub-Saharan Africa. We aim to break down barriers to inclusivity. We do this by challenging perceptions and improving access to healthcare, education, employment and services.

Duties & Time Commitment

- Ensuring the charity's focus on its purpose
- Upholding the good name and values of the organisation
- Ensuring that Signal complies with the charity law
- Supporting Signal with individual skills and expertise, offering advice and guidance or leading on initiatives
- Ensuring the effective and efficient administration of the organisation
- Overseeing Signal's financial stability and performance against targets
- Attending a minimum of six forum meetings per year and committing to a minimum of ten hours per month

Our ideal candidate

We're looking for someone with sound, independent judgement, common sense and diplomacy skills, who is passionate about the issues Signal seeks to address. You will have experience in one of these areas: Legal expertise, Accountancy, Lived experience of Deafness or Fundraising. Your outward focus towards other organisations, businesses and opportunities will help you act as an ambassador for Signal. This role can be home based, as meetings can take place via video call.

We value experience, however we also like to encourage applications from people who are keen to learn. Trustee training will be provided. We will also provide the appropriate communication support of your choice, to facilitate effective and inclusive communication.
